

Guide - How to register with Rowing NZ

Last updated: 31 July 2025

Location: [Rowing NZ Rowing Connect site](#)

Overview

Rowing Connect is Rowing New Zealand's new **platform for individual membership registration**, replacing the previous system, MemberConnex.

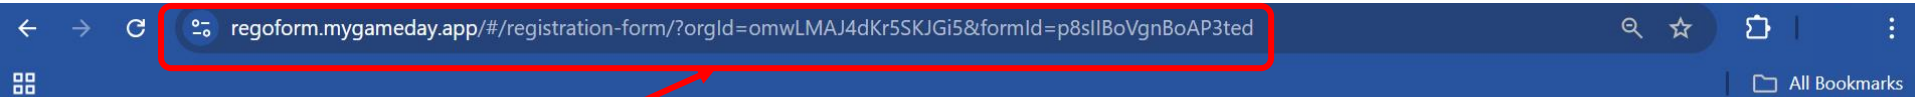

A key **reason** for this shift to individual registration is to build a **stronger**, more **direct connection** with **all members** within our rowing community, something we've consistently heard is important. Recent updates to the Incorporated Societies Act and the Rowing NZ Constitution have introduced **new requirements** to ensure the development of our rowing community, the health and safety as well as greater engagement and connection. As part of these changes, all people involved in rowing will now be required to individually register with Rowing NZ.

Any individual (e.g. licensed or unlicensed rowers, coaches, committee members, race officials, volunteers, parents of juniors, life members etc.) joining an RNZ affiliated rowing organisation is **required to**:

- ✓ **register with their organisation** (e.g. local rowing club/ school rowing program via the Club/Schools sign-up process), as well as,
- ✓ **register with Rowing NZ** using Rowing Connect. There is no cost for registering.

Follow this step-by-step guide to learn how to register with Rowing NZ.
